DEAR SIR/MADAM,

RE: Application for scale-up intern, Communication and Graphic Design

In my search for new creative endeavors, I was thrilled to find a sale-up intern contract in your institution which was advertised online. As an ambitious professional with communication experience, I believe that I would make an excellent addition to your team.

Identifying improved approaches and enhanced solutions to business challenges are activities that drive and inspire me. Exploration, pursuit, and motivation are my framework for success. I believe that fresh perspectives and trying new techniques help businesses evolve and grow. Like Technology, my goal is to be on the cutting-edge of industry advancements.

Contributions to my former Graphic Designer role, and this field at-large, revolve around my essential and creative talents. I have developed strong communication abilities and fostered a reputation as a key contributor through marketing and public Relations skills. As a team player, I am collaborative with peers, searching for ways to integrate valuable insights. Through these qualities, I have confidence in my ability to facilitate positive change and collective effort in your institution.

For a greater illustration of my background and qualifications, please review my enclosed documents. I am eager to speak with you about this opportunity and thoroughly appreciate your consideration.

Sincerely,

Alex Tanui
